for Baby and Parent* (age 0 thru 4 years)

**a Suzuki Early Childhood Education (SECE) curriculum*

Five-day Jump-Start Class

March 12, 14, 15, April 15, 16, 2022

Parents, find out just how early learning begins! Jump-start your child's musical talents in five one-hour classes. You will sing, dance, play, and learn with your baby or toddler age zeros through four years. Your child will have the opportunity to interact with other children, parents and teachers, learn new musical skills, increase vocabulary, and learn about patience, sharing and taking turns. Our specialized parent education process will teach you to continue your child's musical growth in your home environment.

This jump-start class will be held in conjunction with a Suzuki Early Childhood Education (SECE) Teacher Training course, so you and your child will be able to experience the teaching of not only SECE Specialist and Registered SAA SECE Teacher

Trainer, Danette Warren, but also all the other excellent teachers involved in the course.

Participants in our jump-start course are encouraged to enroll in our weekly music classes that continue throughout the year. Please let us know if you are interested.
